

# What Matters? New England Electorate Privacy Policy

## 1.0 Introduction

*What Matters? New England Electorate* is committed to respecting your Personal Information that we may collect, and is guided by the National Privacy Principles (NPPs) contained in the [Privacy Act 1988](#) (Australian Commonwealth) in how we collect, use, disclose, store, secure and dispose of your Personal Information.

## 2.0 Personal Information

Personal Information is information or an opinion that identifies an individual, including names, postal and email addresses and phone numbers. *What Matters? New England Electorate* will collect it for the following purposes.

### 2.1 Member Register and Mailing lists

Our Constitution requires that a Register of members be established, specifying the name, phone number, residential and email address of each person. This information will only be accessed by those officers that require it to perform their duties, and it will be managed consistent with the NPPs.

Details of non-members will also be collected if they have requested to be added to the Groups mailing list.

### 2.2 Kitchen Table Conversation (KTC) data

The data collected during the KTCs is anonymous and cannot be identified with an individual. Any personal information collected at KTCs, such as a request to join the mailing list is managed consistent with the NPPs.

### 2.3 Website

Visitors who interact with the website, will have their IP address and browser user agent string collected. If you leave a comment on the site, your name and email address may be saved as cookies which last for a year. Comments and its metadata are retained indefinitely, as is personal information provided through online forms

Embedded content from other websites may also collect data, use cookies and monitor interaction with the embedded content.

## 3.0 Access

Consistent with the NPPs an individual has a right to access, and amendment of their personal information. These requests should be lodged via [info@wmnee.org.au](mailto:info@wmnee.org.au)
